Service here is a bit of a running joke in our family - really nice friendly guys, but never quite right or timely!! But we keep coming back because the food is just great - all the cafe usuals plus plenty of specials with a Brazilian twist. Try the Ipanema Bowl. Coffee is outstanding also. And if you keep smiling you might get some nice cheese balls as an apology when they muck the order up!! [read more](#). In nice weather you can even eat in the outdoor area, And into the accessible rooms also come visitors with wheelchairs or physical limitations. What [User](#) doesn't like about Cafeina Espresso:

Service is usually quite cranky. Which is such a shame as they could do really, really, well as their coffee is excellent. Cafe itself is squasy and not a lunch destination. If they learnt to be friendly and nice then I reckon that they would do a whole lot better. [read more](#).
