The BIGGEST servings of food in the world...and all yummy vegan...I am not one of those vegan people but hang out with a few and seriously I could eat this stuff all day...we got medium serves and they were massive...thoroughly recommended [read more](#). The restaurant also offers the possibility to sit outside and have something in nice weather, And into the accessible rooms also come guests with wheelchairs or physical disabilities. What [Josephine Walsh](#) doesn't like about Heart Food:

The meal I saw in the sign called Vegetarian BBQ looked delicious. Lots of fake meat, dipping sauce and rice. What I got was nothing like the picture. Very little fake meat, just a lot of veggies and no dipping sauce. Tried to query but I don't think they really cared the picture was completely different. [read more](#). If you want to spoil your palate with a bit of culinary flair, this is the place to be: The imaginative Asian fusion cuisine of the Heart Food from Hobart - a delicious mix of traditional and the unexpected, the customers love having the chance to watch the latest games or races on the big screen in this *sports bar*, while also enjoying food and drinks. Most courses are prepared in the shortest time for you and served, delicious [vegetarian](#) dishes are also in the menu available.
