I met a client for lunch here and even though having my office situated so close, I had never eaten here. The experience was fantastic - the waiter was exceptional, he was extremely friendly and made you feel right at ease. My guest and I were too busy chatting so he asked if we were happy for him to select the best dishes to send to us - this was a great decision as everything was superb, I will definitely be back! Clearly overpriced Food was really OK but not worth to be so expensive. We just felt that we have been trapped with This bill mentioning minimum 100\$ per person without being notified previously . Poor communication and lack of transparency on wine prices make me feel that I got played ... Very disappointed as this is not the way we do in France so if you want to do French Style be honest first ! [read more](#).
