We just happened to walk past this cafe and thought we would try it for a quick lunch, our expectations were fairly low. We both ordered the cajun chicken salad and it was quite frankly one of the best salads we have eaten. Full of flavour and full of delicious ingredients too. Very friendly staff, free wifi and good value for money. We would highly recommend eating here, great cafe, delicious food. [read more](#). The restaurant also offers the possibility to sit outside and eat in nice weather, And into the accessible rooms also come clientele with wheelchairs or physical disabilities. What [User](#) doesn't like about Spoons Cafe:

Needed to grab an early coffee before catching train back to Brisbane. Found this place by accident. Its not a flash looking place, but very clean and good service. Watching those coming and going looked like it was popular with the locals. We were certainly happy with our breakfast and would recommend giving them a go. [read more](#).
