We'd read reviews about how good this place is for gluten and dairy free type meals. As we approached the worry started to rise as it looks like a cheap and nasty cafe. As we got closer we could see the fresh food in the display cabinets and immediately started to relax. Gluten free, dairy free, vegan - they cater for all of these things. And even better the food is delicious and fresh. An absolute must. [read more](#). The restaurant also offers the possibility to sit outside and eat in pleasant weather, And into the accessible rooms also come clientele with wheelchairs or physiological limitations. What [User](#) doesn't like about Snoogies:

Last week my wife and I had lunch at this place as we always look for healthy food. I had mostly hot food with very little salad. My wife had only salads and cold stuff. The next three days, my wife suffered from stomach cramps and frequent visits to the toilet. No way we would visit this place again where hygiene and health standards can cause stomach upset.
