What [User](#) likes about Bellocale: Had a great dinner with lovely staff. Evita took great care of us. The bugs and gnocchi were out of this world as were the desserts. All in all a great meal in a super atmosphere. [read more](#). When the weather is nice you can also be served outside, And into the accessible spaces also come customers with wheelchairs or physical limitations. What [User](#) doesn't like about Bellocale: I have the linguine marinara which was completely average- far too much sauce. Should have ordered the Entree size, as I ordered Brusetta for starter which was far too much for one person, 1 portion is enough for 3 people to share. Also brusetta was very plain. Wouldn't recommend, and is pretty pricey. For Pasta over \$30 you'd expect a much higher standard. [read more](#). At Bellocale from Cairns it's possible to [enjoy delicious vegetarian meals](#), that were made without any animal meat or fish, Besides the tasty **sandwiches**, healthy salads and other snacks also make a good snack. At the bar, you can still relax after the meal (or during it) with an alcoholic or non-alcoholic drink, The **sugar-sweet** desserts of the restaurant also shine not only on children's plates and in children's eyes.
