Had a quick evening meal here with my husband. Busy place but they serve your food quickly. The best kimchi I've had for years. Something for everyone, [vegetarian](#), [seafood](#), beef and affordable. we walked away with a full belly for \$45. [read more](#). The rooms in the restaurant are wheelchair accessible and can also be used with a wheelchair or physiological disabilities, Depending on the weather, you can also sit outside and eat. What [User](#) doesn't like about Corea Corea:

I ordered the Bibimbop. The ingredients used were cheap and not authentic. They used ground Beef instead of sliced beef, and cooked mushy vegetables, instead of fresh raw vegetables. The Kimchi that was included was good but they were stingy and only gave a little. The miso soup that came with the dinner was good. In fact it was better than the bibimbop. The food took a while to order and receive. The restaurant is I... [read more](#).
