What [User](#) doesn't like about Oyster Bar Darwin:

3 stars for the chips(delicious) and the service was good. Decor was plain but passable. The [pizza](#) was OK but not great and the organic tomato ravioli was overpriced(it's an entree with the same cost as the main pasta dishes) and tasteless. The passata on the pasta was undercooked, the ravioli filling was miserably dull and the texture was grainy and appalling. The location is fantastic but with plenty of better places nearby id give it a miss.

The wait staff were excellent though.
