Just to first say that I'm not a fussy eater. I was just after a little bite before work and thought the little chicken baguette looked lovely. The nice lady asked if to toast it. By toast it, she meant microwave. It came out so hot I burnt my mouth. Which was sort of not my real problem with it as a toaster would have made it hot too. However, microwaves and bread do not agree. Even I know that! All the grease was dr... [read more](#).
