The diner is accessible and can therefore also be used with a wheelchair or physical limitations, Depending on the weather, you can also sit outside and have something. For those who want to **a beer after work** and hang out with friends, Emerald Hotel from South Melbourne is a good bar, And of course, you should also try the *scrumptious burgers*, with sides such as fries, salads, or wedges offered. The pleasure of various sports events is also a highlight, when you are in this **sports bar**, Furthermore, the drinks list in this restaurant is impressive and offers a good and comprehensive variety of beers from the area and from worldwide, which are definitely worth a try.
