The service and food is decent. The opening hours are unreliable as the business is often left unattended. The chef was very rude and unprofessional to his staff, when they had their hands full and were doing an excellent job considering the circumstances. Understaffed might be the issue. Yelled at his waitress in front of everyone eating their meals. Sent staff out for groceries leaving patrons unattended. [read more](#). A visit to Inside out becomes even more rewarding due to the extensive diversity of coffee and tea specialties, there are also **delectable vegetarian menus** in the menu. Furthermore, they serve you delicious seafood meals, Incidentally, there is the typical atmosphere and obviously also the typical ambiance of a Brasserie.
