Had dinner with the Wife at this historic pub in Mulwala. What an incredibly good meal. Had the garlic herb Cobb to start with an entree to share and then a main each of a 350g scotch fillet with different toppings. All served with a friendly smile. Fantastic place to sit, relax, have a nice meal with a wine from their extensive wine list. The meals weren't cheap but it was well worth it. [read more](#). When the weather is nice you can also eat outside, And into the accessible spaces also come clientele with wheelchairs or physical limitations. What [User](#) doesn't like about Royal Mail Hotel Mulwala:

10 guys for dinner Thursday night and it was disgusting, mixture of Barra, Steak, Pasta and Curry between us, Barra was obviously frozen and tasteless with garbage salad and chips. Never to return to this place. You need a new chef boss. Want to spice up your eating and drinking routine? Come to this **sports bar** and enjoy a variety of large and small snacks and meals while watching live football, tennis or Formula 1 games, because just eating and drinking is too dull!, Additionally, they offer you *typical Australian meals* with products like bush tomatoes and finger limes. In addition, they offer you delicious [seafood](#) menus, It's possible to chill out at the bar with a [freshly tapped beer](#) or other alcoholic and non-alcoholic drinks.
