We LOVE this restaurant. The cheese naan bread, butter chicken and lamb korma are amazing. However, it has been noted that their serving size for our take away butter chicken was a very small serving. If I'm paying \$17.90 for butter chicken, I expect it to be a decent serving and amazing. Had dinner their on Thursday night - it was terrible. The butter chicken was OK, the tandoori platter was very dry. The naan's were dry and tasteless. The onion and tomato salad was full of pepper and we asked to have it remade. I ordered a diet coke and it came without a straw or glass, have to say it was probably the nicest thing of my whole meal. Definitely won't be coming back anytime soon. [read more](#).
