What [User](#) likes about Crown Hotel:

We passed this pub last week coming from a day at the National forest and decided to come back to it for lunch this weekend. This morning I looked at some reviews on trip advisor and there were quite a few bad ones but we decided to go anyway and I'm so glad we did. Lovely place, food was good, people were nice and loved the view down the Main Street. I don't understand the bad reviews ?? We will be back again [read more](#). In pleasant weather you can even have something in the outdoor area, And into the accessible rooms also come customers

with wheelchairs or physical limitations. What [User](#) doesn't like about Crown Hotel:

I stop here often when on a motorcycle ride over Nebo, Glorious and mt mee. Situated nicely for a lunch stop.

Usually get some sort of burger and chips meal which is always a substantial meal and ticks all the boxes for taste. Decent meals for the price, but with a bit more of something special this pub could do a roaring trade. I'll

keep stopping here as long as the food tastes good. [read more](#). At Crown Hotel in King Scrub, **exquisite**
