Confession time, we had a banquet and ate way too much but it was easy to do as the food was great. The Banquet included the peking duck with pancakes and I could have stopped at this. But three entrees three or four mains followed by fried ice cream was way too much. The service was fine, prompt and short and sharp with no fuss. [read more](#). This place was really average we only went there as I wanted peking duck, We ordered the whole duck and they come out to cut it off the duck but seem to leave a bit on the bones and walked off with it. The other food we got was very average and the staff were ok seem to be rushing around and not putting any effort in. Might try it again to see if it has improved. [read more](#).
