Busy place in the middle of the Tuggeranong Hyperdome shopping centre, but once seated you do not feel surrounded by noise or movement. Very good breakfast menu, and varied lunch/snack options. Coffee is the best I've had in any cafe. Service is quick and cheerful. [read more](#). The rooms in the restaurant are wheelchair accessible and can also be used with a wheelchair or physiological disabilities, Depending on the weather, you can also sit outside and eat and drink. What [User](#) doesn't like about The Coffee Club:

A friend suggested going here as our usual cafe (with pleasant outdoor seating) was closing for day. We only had a quick coffee + my friend had a muffin (a bit dry she said but it was the end of day). Reason I don't go here often is because of the setting - a v open cafe in the middle of a boring mall. Staff are friendly & all good - just nothing memorable. [read more](#). The Coffee Club from Canberra is a cozy café, where you can enjoy a snack or cake with a *hot coffee or a sweet chocolate*, for breakfast they serve a **varied breakfast** here.
