Best Japanese food I've had in a long time. Everyone I've introduced to Yokoso has become a regular. Great food and atmosphere. Yaki yaki platter is good to share as entree. Good sake and wine list. The chef came to our table to make her informed suggestion as to my request. The restaurant is always busy. Booth and table seating.

Book ahead. [read more](#). When the weather is nice you can also be served outside. What [Janmareelikesfood](#) doesn't like about Yokoso izakaya:

I have been to this restaurant once before and was very happy with the food on that visit. However our meal tonight was very ordinary bland and not very tasty very dull and unrefined. The service was lovely and efficient but very let down by the extremely fast unimpressive food. Maybe a new chef or a bad night? [read more](#). For those who want to *a beer after work* and sit with friends or alone, Yokoso izakaya from Northcote is a good bar, The visitors of the restaurant are also thrilled with the large variety of various coffee and tea specialities that the restaurant offers. fresh vegetables, fish and meat are the main ingredients in the easily digestible Japanese cuisine of Yokoso izakaya, The **sugar-sweet** desserts of the establishment also shine not only in the eyes of our little guests.
