free WiFi. What [User](#) doesn't like about Nagev:

It's definitely always an event to be in a typical saloon and to taste; to feel like a cowboy for once with a beer and also the **finger food like crispy fries, onion rings or a delicious burger**, The fine sandwiches, small salads and other snacks are also suitable for a snack. One should particularly acknowledge the menus from Australia of this establishment, Furthermore, the magical treats of this local sparkle not only in the eyes of our young guests.
