2 of my friends and myself went there for dinner last week. We were very impressed with the meals and the service. They also have table service now which was a nice surprise. We are heading back on Father's Day so I'm hoping it will be just as nice as I've been raving about it since. Thanks norths. Love the changes!. The restaurant also offers the possibility to sit outside and eat and drink in beautiful weather, And into the accessible rooms also come customers with wheelchairs or physical limitations. What [User](#) doesn't like about Norths Leagues & Services Club:

Not overly impressed that the pool tables have been taken away and is now just packed with pokie machines.. CHAR restaurant wasn't impressive at all but the service was wonderful. My chicken PJ was horrible. Literally ate 2 bites then left it.. even the chips were soggy and gross.. def won't be back anytime soon. [read more](#).
