We have been to Monkey Thai many times and always the food and service is the same-excellent. Last visit I requested a diet friendly dish and they made a beautiful snow pea & prawn salad for me that wasn't even on the menu-I now have my own private Thai chef-what more could I want? [read more](#). In beautiful weather you can even eat and drink in the outdoor area. What [User](#) doesn't like about Monkey Thai:

Not real Thai food. There were so many carrots in the dish that I was turned off the dishes. Didn't really have the Thai flavours. Not sure why there are good reviews which was what attracted me to this place. Waited so long for takeaway. [read more](#). The extensive diversity of coffee and tea specialties makes a visit to Monkey Thai even more worthwhile. With the popular spices and fish sauces, *Thai dishes* are prepared here. Look forward to the enjoyment of **delicious vegetarian dishes**. Also, the drinks menu at this place is exceptional and offers a significant and comprehensive selection of both local and international beers, which are definitely worth a try.
