We visited the next for a second time upon returning to Palolem and we were not disappointed. The staff are extremely attentive and all speak perfect English. The menu is varied and the food is of a very high standard and the drinks are served ice cold. Although in our opinion not 5 star, we would definitely rate this as 4.5, if we could have. Well worth a visit for a romantic evening meal on the beach under the stars. [read more](#). In beautiful weather

you can even eat and drink in the outdoor area. What [User](#) doesn't like about The Nest:

Looks Pretty and has a great vantage point at the beach and that's where the story ends unfortunately. Food menu is very limited with absolutely no vegan indian breakfast options available other than Indian Breakfast combo which was very disappointing. Ordered Cheese Sandwich boiled eggs and French fries with beer. There is breakneck competition and having a poor menu wont help. [read more](#).
