My wife and I went here for dinner about a week ago. We ordered the ribeye and lamb shanks and they were both great. The meat was moist and tender and the veggies were perfect. The staff were very friendly and our meals arrived at our table promptly. If you're in the area make sure you make time to come here for a meal.

Money well spent. [read more](#). The premises on site are wheelchair accessible and can also be used with a wheelchair or physical disabilities, Depending on the weather, you can also sit outside and have something.

What [User](#) doesn't like about Catalpa Cafe:

The place is supposed to be famous and they write up impressive menus, also hosting wine clubs. It is a very friendly place, with a great courtyard, and admittedly we only had lunch and coffee. The pies were tasty but totally dry inside, and the pastry seemed none too fresh. Maybe we came at the wrong time, I would give it another try. [read more](#).
