Visited one Thursday night for a [pizza](#) and dessert. Ordered a Tropics [pizza](#) - had run out of bananas but a staff member ran to Woolies. Was absolutely delicious - one of the nicest pizzas eaten. Grabbed a few bakery items for dessert which also went down a treat. Highly recommended!! [read more](#). The diner and its rooms are wheelchair accessible and thus usable with a wheelchair or physiological disabilities. What [User](#) doesn't like about Caba Bake House:

\$14.80 for salad roll, sausage roll and choccy milk. Food lacked flavour but reasonably priced. Girl behind the counter clearly didn't want to be there. Understandable on a bright September day I suppose. With fresh ingredients like fish, vegetables and meat, Caba Bake House from BOGANGAR prepares for you scrumptious [sushi](#) (e.g., Maki and Sashimi) and many additional variations, It's possible to chill out at the bar with a **freshly tapped beer** or other alcoholic and non-alcoholic drinks. fresh vegetables, fish and meat are the main ingredients in the healthy Japanese cuisine of Caba Bake House, The tasty desserts of the restaurant also shine not only on children's plates and in children's eyes.
