The restaurant from Melbourne offers **63** different meals and drinks on [the card](#) at an average A\$10. What [User](#) likes about ILoveIstanbul:

diner and its rooms are wheelchair accessible and thus usable with a wheelchair or physiological limitations,

Depending on the weather, you can also sit outside and eat. What [User](#) doesn't like about ILoveIstanbul: Very disappointed with the doner [kebab](#) which was just something slapped between two bits of turkish bread - people not used to Turkish food wouldn't know the difference and the staff I spoke to didn't know a work of Turkish. You can at ILoveIstanbul from Melbourne *try delicious [vegetarian](#) dishes*, in which no animal meat or fish was brought into play, In addition, you'll find sweet delicacies, cake, simple snacks and chilled refreshments and hot drinks here. If you're still pondering, let the smell of freshly baked flatbread or the fine, sticky temptation of fresh baklava convince you - the **Middle East** is without a doubt closer than it appears, In addition to that, the guests of the restaurant can also try typical meals from Turkey - from Sucuk to different Doner and even sticky-sweet desserts.
