Tried their pizza while staying in Port Macquarie and found it quite nice. Good base and well topped, maybe even too well topped, should have gone down a size. Good garlic bread too. read more. What User doesn't like about Belair pizza:
Genuinely terrible! I cannot figure out how this pizza could get such good reviews… They must have all their friends and family put in reviews, because the pizza is awful. Zero sauce underneath the topping ingredients on the base! Spot the cheese… there is practically none! What is there… and every other ingredient, has no flavour! Very disappointing… It really is literally tasteless! Cheap, cheap, cheap! read more.
