[User](#) doesn't like about Abel Point Kiosk:

I think the previous review is for Sorrento. The Kiosk is quite expensive but the food is good and coffee is normally excellent. Sometimes they have a breaky special which is good value though. They can get rushed and you have to wait a while and they have a small Grog shop attached which is handy for the boats. [read more](#). During a meal, a good drink is essential. In this gastropub, you not only get delicious cuisine from the menu but also a comprehensive and particularly good diversity of good beers and other alcoholic beverages that go well with the food, At the bar, you can relax with a freshly tapped beer or other alcoholic and non-alcoholic drinks. When you're not so hungry, you can just treat yourself to one of the scrumptious *sandwiches*, a healthy salad or another snack, for breakfast they serve a **extensive breakfast** here.
