We have been there yesterday as it was near to our hotel. We did not book and had to wait 40 min to have a table as it was full even on the first floor. A lot of Korean and local people were eating there....More [read more](#). When the weather conditions are pleasant you can also eat and drink outside. Woodo Korean BBQ from Melbourne is a good option for a bar if you want to have a cocktail after work and hang out with friends, there are also fine [vegetarian](#) dishes on the menu. Korean meals like Kimchi, Bap and Jjigae, which are traditional, always find their way onto the menu and the plates of the customers, The barbecue is freshly *cooked* here on an open flame.
