What [User](#) likes about Lavender Cottage: Recently celebrated my birthday with friends for lunch at Lavender Cottage as usual food and service (have had dinner here also) was excellent. The restaurant is unfortunately only open Friday night for dinner , lunch available week days, this has to be one of me favourites in Albany [read more](#). The restaurant is accessible and can therefore also be used with a wheelchair or physiological disabilities, and there is free WLAN. If the weather conditions are right, you can also be served outside. What [User](#) doesn't like about Lavender Cottage: 2 of my friends were turned away from the restaurant due to insufficient room to cater for a pre booking 40th birthday dinner. Definitely will not be going back. The large diversity of **coffee and tea specialties** greatly enhances the value of a visit to Lavender Cottage, In the morning a versatile brunch is offered here. Many visitors also especially enjoy the versatile, scrumptious Chinese cuisine, You can take a break at the bar with a freshly tapped beer or other alcoholic and non-alcoholic drinks.
