What [User](#) likes about The Wintergarden: Winter Garden's magnificent view and tastefully decorated restaurant has created a location that you love to dine any time. Food was good in quality. When the weather is nice you can also have something outside, And into the accessible spaces also come visitors with wheelchairs or physical disabilities. What [User](#) doesn't like about The Wintergarden:

The restaurant is beautifully situated. The view over the valley is stunning. The food is beautifully presented, but small in size and expensive in price. It was lovely to visit such an iconic hotel, and the hour spent in the restaurant enjoying such a magnificent view was enjoyable, but I won't be doing it again. [read more](#). In the restaurant you will find a bit of this and a bit of that, paired with their well-known Tapas, The atmosphere also makes the tasting of typical Western dishes and drinks an unforgettable experience. You have the option to, after the meal (or during it), also relax at the bar with an **alcoholic or non-alcoholic drink**, there are also [delectable vegetarian meals](#) in the menu.
