What [User](#) doesn't like about Kazutoshi:

I visited here after finding out Bamboo House (Japanese restaurant up the road) had closed for the day. Overall, the food was good, but expensive for what I got. I ordered vegetable gyoza (5 for \$10) they looked and tasted remarkably like the vegetable gyoza...I get at Coles. The hand rolls were ok as was the nigiri. I got way more bang for my buck and a way better food experience at Bamboo House. [read more](#). At Kazutoshi from Buderim they provide different **exquisite French courses**, Delicious particularly are the **Maki** and specialties like *Te-Maki* that this place is known for.
