Hi guys! I went here for some dinner. The menu is broad with all types of meals and a decent wine list. The food was spectacular but if you plan on dining in with a group you should make a reservation. The thing better than the food was the service! Great value for money and they also have a great takeaway menu! Thankful for the quality service. Please don't change I'll be back [read more](#). What [User](#) doesn't like about The Mediterranean: Visited late March with a group of friends. We ordered a combination of pasta and [pizza](#) dishes and everything was fine. Dessert was pretty good. Service was ok, the waiter was constantly pushing us to place orders, perhaps because it was a busy night. Parking is also not a problem. Plenty of street parking if the complex parking fills up. [read more](#). The Mediterranean from Marsfield delivers tasty, light digestible Mediterranean cuisine with its typical menus. Also, you shouldn't miss out on the tasty [pizza](#), original freshly baked in a wood oven. As a rule, most **menus are prepared in a short time for you** and served. The visitors of the establishment are also thrilled with the extensive selection of differing *coffee and tea specialities* that the restaurant offers.
