Went to this restaurant twice during short stay. Food excellent both times. The restaurant can be quite busy and is best to book ahead. The whole fish Thai style is a special treat and if available not to be missed. The owner (Kenny) generally makes the rounds of the restaurant to ensure everything ok. He is very friendly and will explain fully any food you wish information on. [read more](#). In beautiful weather you can even be served in the outdoor area, And into the accessible rooms also come clientele with wheelchairs or physical disabilities. Very disappointed & when we expressed this to our waitress she looked at us like we had 2 heads! [read more](#).
