This is a nice café near Coogee Beach that is good for breakfast and lunch. The café is pretty small and there aren't that many seats, but the food and drinks are pretty good, and the prices aren't bad. The staff are friendly, but the downside was that the food and drinks took a very long time to come out, so make sure you aren't going anywhere in a rush! [read more.](#) The large selection of coffee and tea specialties makes a visit to The Diver Cafe even more worthwhile, and you can look forward to authentic Italian cuisine with classics like [pizza](#) and pasta. Ultimately, the restaurant presents a selection of appetizing meals, which are surely worth a try. Additionally, they provide you **authentic Australian dishes** with ingredients like bush tomatoes and finger limes.
