When the weather conditions is pleasant you can also have something outside, And into the accessible rooms also come visitors with wheelchairs or physical limitations. What [User](#) doesn't like about Williamsburg:

Unfortunately the food was still not ready one and a half hours after we ordered, and we were a booking. They are taking take away orders and filling those first. Truly disappointing. The service was fine, but with no food products to serve... what...exactly did they need to do? Ps do not order the cocktails clearly never tasted by the bar person as they were disgraceful. Never again! [read more](#). During meals, a refreshing drink is essential. In

this gastropub, you will find not only exquisite dishes, but also a large and comprehensive selection of good beers and other alcoholic drinks that compliment the food, and you can look forward to typical tasty **French cuisine**. You can also relax at the bar after the meal (or during it) and enjoy a alcoholic or non-alcoholic drink, Of course, you also have to try the fine burgers, that come with sides like fries, salads, or wedges offered.
