We were looking for somewhere for lunch when we stumbled upon a busy cafe with most tables occupied - always a great sign!! Friendly service, good prices & amazing food. We had two salads & the chicken burger for our group & everybody loved their meals. We don't live locally, but we'll definitely be back!! [read more](#). In beautiful weather you can even eat in the outdoor area, And into the accessible spaces also come customers with wheelchairs or physical limitations. The fresh and succulent **juices** on the drinks menu perfectly complement the menus of the establishment, here they serve a appetizing brunch in the morning. It should not be forgotten that there is a extensive diversity of *coffee and tea specialties* in this restaurant, tasty [vegetarian](#) menus are also in the menu available.
