If you want to satisfy your hunger for something sweet the French way, you can also try one of the many different wafer-thin crêpes, Moreover, the menu of this gastropub offers a good and especially extensive variety of beers from the region and the world that are definitely worth a try. The restaurant also provides **Greek delicacies** like Gyros and Souvlaki with the matching sides, Moreover, the **sweet desserts** of the house shine not only on children's plates and in children's eyes.
