My wife and I had lunch outside on the street, I had a Mei Goreng and my wife had a Nasi goreng, we had a little wait as they were busy but the food was well worth the wait it was presented first class and was delicious with so many flavours, what you get for the price is awesome, we returned another morning for coffee. What [User](#) doesn't like about Kembali:

I love the food at Kembali. Simply great! But how hard is it to make consistent, good coffee? Really, it's not rocket science. Just don't overheat the milk to the point that it burns your tongue. ie. Use your hand against the jug to test the temperature. Just don't over-express the shot until the coffee turns bitter. If the coffee was consistent and good, I'd give this place 5 stars.
