[Sushi Dragon](#) has quickly become my favourite [sushi](#) restaurant. They have 2 stores, 1 located at Gymea which is big and spacious and Brighton Le Sands which is a bit on the smaller side but both are clean and great. My favourites are the prawn aburi, salmon a... [read more](#).

Brace yourself for unusual blends of different products at [Sushi Dragon](#) in GYMEA, all in line with the vision of a fantastic fusion cuisine, It's possible to chill out at the bar with a **cool beer** or other alcoholic and non-alcoholic drinks. Surely, it's also a nice event to feel like in the Wild West once, to drink and consume like the cowboys or even the bandits with a drink or two paired with onion rings and a nice tasty burger, tasty particularly are the Maki and specialties like Inside-Out that this place is known for.
