Falafel Moudy specialises in vegetarian food with a focus on falafel and fowl (beans). You can have food on a plate or prepared in a wrap. I had an excellent large size falafel wrap with salad and labne for just \$7.00. It is worth traveling to dine here as the salad and falafel are so fresh. The crowds and the limited tables inside encourage people to share, giving a family atmosphere. read more. What User doesn't like about Falafel Moudy: We came here for lunch while in the neighbourhood and between two of us shared a vegetarian plate, which was vegan standard. Most menu items were vegan. The falafel was nice and crisp in the outside and fluffy inside, but unfortunately neither that nor the hummus or fowl were outstandingly tasty. The meal was a very decent size we were stuffed at the end and amazingly cheap at \$12. read more.
