Amazing views which means that this cafe is definitely worth a stop. We just had tea, organic ginger real leaf tea.

Sat outside with the courtesy blanket to stop the chill and admired the amazing view. Well worth the drive up there. [read more](#). The restaurant also offers the possibility to sit outside and eat in beautiful weather, And into the accessible spaces also come guests with wheelchairs or physiological disabilities. What [User](#) doesn't like about

The Lookout Cambewarra Mountain:

This restaurant starts off well as the view is outstanding. The staff are friendly and efficient. We had lunch there. I

had a chicken dish which was super salty. It was supposed to have labneh on the side but it was sour cream.

The chai latte was very nice but had far too much froth. Would I go back to eat? Maybe but I wouldn't have the chicken kebabs again. [read more](#).
