Real close by is something called Wilmington Showgrounds - and there trees are filled with hundreds of cockatoos - a toy museum is basically across the road. [read more](#). The place also offers the possibility to sit outside and be served in pleasant weather. During a meal, a good drink is essential. In this gastropub, you not only get delicious cuisine from the menu but also a comprehensive and particularly good diversity of good beers and other alcoholic beverages that go well with the food, **fine vegetarian recipes** are also on the menu available. You can still relax at the bar after the meal (or during it) and enjoy a **alcoholic or non-alcoholic drink**.
