What [User](#) doesn't like about Indian Temptations:

The place is quite cozy but needs a renovation. The deco can be improved and should be.....the service was excellent .... We had ordered samosas, chicken tikka, and malai kofta. My samosa was dry and salty. The chicken tikka tasted different than usual in a bad way. Only positive was the malai kofta which was creamy and just right. Will I be coming back again? Not sure.
