This is a small Coffee shop with half a dozen Tables seated on the lawn area - menu is limited but the Food is so tasty with very healthy options and the Coffee is very good. Definitely worth checking out and we will definitely be returning. Staff were very friendly and helpful as well. Could become my favourite spot. [read more](#). You can use the WLAN of the place at no extra cost, And into the accessible rooms also come visitors with wheelchairs or physiological disabilities. If the weather are right, you can also eat outside. In the morning, you can enjoy a *appetizing brunch* at Cafe Thrive, freely at your own will, Typically, the dishes are prepared for you **in the shortest time and fresh**. Even if you're not so hungry, you can treat yourself to one of the delicious sandwiches, a small salad or another snack, Moreover, you save time with the assortment of already finished delicacies, without having to accept losses of pleasure.
