What [User](#) doesn't like about The Woolshed Restaurant:

Ordered t-bones here, chips and salad- came out with soggy veges, asked for it to be changed- came back within a minute with gravy not mushroom sauce and steak was tough and salad tasteless. \$28! A glass of wine was \$9 and the music was really loud so need to sit outside so you can tak over dinner. Close to the caravan park but would rather drive to town for a meal. [read more](#).
