Lovely food and very good service. A lot of choices on the menu and the decor and cutlery well fitting for a Thai restaurant. All the tables well set out so not worried about bumping into other diners. [read more](#). What [User](#) doesn't like about Saffron Blue:

We got dinner to take away this evening. Both got lamb korma, tasted very much like it had way too much tomato paste thrown in.. although in saying that I could have just had the naan bread as it was delicious. Maybe a standard butter chicken would be better, korma is difficult to get right. The staff member was lovely though, which is a plus. Would buy naan again :) [read more](#).
