What [User](#) likes about Rosie's Kitchen: Stopped here for breakfast on the way to noosa. Cafe up the road was packed so we ventured in to Rosies. Glad we did. Spotless. Friendly. Menu a little bit limited but what we had was lovely. We'll be back. [read more](#). The restaurant also offers the possibility to sit outside and eat and drink in beautiful weather. What [User](#) doesn't like about Rosie's Kitchen:

Yes, it is "just the basics" but they actually do a reasonable burger - i.e better than a "maccas". Had a chicken burger and it was fresh and better quality than a [fast food](#) outlet. Good service with a smile as others have said. Pet friendly outside. [read more](#).
