User likes about The Riverhouse:

My partner and I ate here several times as we stayed in a nearby hotel. Every time we had fantastic food, hence our return visits. We tried the Riverhouse burger, BLT sandwich, pasta dishes, Aubergine Parmagiana and Paella - all superb. We also very much enjoyed the desserts, the special taster dessert was superb and I would expect this of a Michellin Star restaurant. Big thanks to the chef! read more. The place also offers the possibility to sit outside and be served in beautiful weather, and there is complimentary WLAN. What User doesn't like about The

Riverhouse:

This is a place to enjoy a few drinks and watch some sport, strange design to be honest first floor is dead all the action is upstairs , REALY cool kid who owns and runs the place, forgot his name to be honest but he's good stuff read more. Enjoy a little bit of this and a little bit of everything at the eatery, known for its well-known *Tapas*, Furthermore, the visitors love the creative combination of different meals with new and partially experimental products - a good example of successful **Asian Fusion**. Of course, the most diverse ingredients are also used in the most extraordinary combinations and variations - according to the motto of the **Fusion Cuisine** in the culinary offer, For a snack in between, the yummy sandwiches, small salads, and other snacks are suitable.
