Do not follow the direction in waze, go to the toen proper of Lucena and ask directions to the restaurant or call for directions. The crispy pata has 2 sizes - medium and large. We ordered 3 medium, rice, ensalada and other dishes. Everything is delicious. Also a try - their leche plan. When you call reserve the leche plan and you can also call ahead to order. Touted as the restaurant that serves the best crispy pata this side of town...but no, it doesn't sway me. It's dry inside and the meat though tender is tough. The skin isn't that crispy either. They do have other native dishes such as liver steak...and fish dishes and buro. [read more](#).
