The Thanh Phong originating from Richmond provides various **flavorful seafood dishes**, In addition, many guests look forward to enjoying traditional Vietnamese meals with the perfect hint of Southeast Asian flavor during a stop at the Thanh Phong. The Asian fusion cuisine is likewise an important part of Thanh Phong. Anyone who finds the usual and generally known meals too boring should approach with a willingness to experiment and try some exciting combination of ingredients eat, The guests of the establishment also consider the extensive variety of various coffee and tea specialities that the establishment offers.
