What [User](#) likes about Izz Cafe:

I was looking for the original hinaniese chicken rice. take them so not fair to judge completely. was pleasant, but not as good as I expected. will have to return when the dings are normal. the Malaysian menu looks good and very comprehensive. What [User](#) doesn't like about Izz

Cafe:

4 dishes ordered. satay was in order, the peanut sauce tasted from the dose they can buy in the brutto shop. roti and curry were okay. the kway teow was beautiful and sharp, but hardly a huh. now the spoiler of the penang laksa, sad taste notes tasted like raw fish water. all the courts came after one. the personal was good. the laksa was over expensive and disappointing. The comprehensive range of **coffee and tea specialties** greatly enhances the value of a visit to Izz Cafe, You'll also find tasty bites, cake, small snacks and chilled refreshments and hot beverages here. The Asian fusion cuisine is also an important part of Izz Cafe. Anyone who finds the usual and generally known menus too boring should approach with a willingness to experiment and try some unexpected combination of ingredients enjoy, on the menu there are also a lot of [Asian meals](#).
